

'Worrior1' aka **Ville Tuominen** is a Finnish gent. Ville is the designer and graphician of this demo. W1 uses **Marq's** PETSCII editor. Worrior1 joined **Hokuto Force** on January 24th 2018.

'Alien' is a movie directed by **Ridley Scott**. It was released on May 25th 1979 in United States.

The movie is well known for nightmarish designs of Swiss artist **H.R.Giger**. The movie won an Oscar for Best Visual Effects.

This demo contains a key scene from the movie 'Alien'. This scene is like text-based horror on a computer screen. Computer chamber scene is a great tribute to **Stanley Kubrick's** movie **2001: A Space Odyssey**.

'Pushead' aka **Arne Harstad** is a Norwegian gent. Arne has coded this demo with Turbo Rascal SE development tool created by **Leuat**. Pushead joined **Hokuto Force** on January 17th 2018.

'Ellen Ripley' played by **Sigourney Weaver** is ranked as one of the best characters in film history. Weaver, "The Sci-Fi Queen" has played the role also in **Aliens** (1986), **Alien 3** (1992) and **Alien Resurrection** (1997).

'Mibri' aka **Michael Philip Bridgewater** is an English gent. Michael made the demo's SFXs and speech samples. He uses GoatTracker created by **Cadaver** and **Ahornberg**. Mibri joined **Hokutos** on February 23rd 2018.

Pushead's email to **Worrior1** on July 30th 2018:
"I really enjoyed working on the Calculator intro with you! So I wonder if you have any ideas for a new project or something we could try to make?"

Entertainment Weekly has called heroine **Ellen Ripley** "one of the first female movie characters who isn't defined by the men around her, or by her relationship to them".

Worrior1, Pushead, and Mibri's co-operation started from 'Calculator Intro', released on May 22nd 2018 on CSDB.dk.
'Special Order #937' is their sixth demo project together.

'Hokuto Force' is an Italian Commodore 64 demo / cracking / game development / swapping group established by **The Overkiller** in 1988. Hokuto Force is well known for taking new sceners under its wings.

Worrior1's email back to **Pushead** on July 30th 2018:
"My strong opinion is that Ridley Scott's movie Alien from 1979 has a lot of great material that cries to be replicated to C64 crack intro or demo."
